Supporting Chairmen • CEOs • Founders • Board Members
Board Governance | Executive Operations | Strategic Projects

EXECUTIVE PROFILE

Executive Operations Professional with 6+ years of experience *partnering directly with Founders, Chairmen, CEOs, Finance leaders, and Board members to drive business operations, strategic initiatives, and executive decision-making.*

Experienced in managing executive offices across diverse industries *including F&B, hospitality, construction, logistics, and consumer goods, with a strong track record in Board governance, fundraising support, cross-functional project execution, stakeholder management, and confidential executive support.*

Known for thriving in ambiguous environments, quickly mastering unfamiliar business domains, and independently turning high-level executive priorities into structured plans, measurable actions, and operational results.

CAREER HIGHLIGHTS

- **C-Suite & Board Support:** Partnered directly with Chairman, Strategic Advisor, CEO, and Head of Finance across 3+ business entities.
- **Fundraising & Investor Relations:** Supported investor communications and prepared corporate documents and data rooms during fundraising for a ~$60M-revenue F&B company.
- **Corporate Governance:** Orchestrated end-to-end Board & Shareholder meetings and standardized governance documentation.
- **Project Execution:** Managed project lifecycles for construction, renovation, and strategic corporate initiatives.
- **Scale Operations:** Coordinated nationwide product launch campaigns supporting a network of 4,000+ distributors.
- **AI & Modern Workflow Adoption:** Leveraged advanced AI tools (ChatGPT, Claude, Gemini, Notion) to optimize executive reporting and operational efficiency.

PROFESSIONAL EXPERIENCE

ORBITAL KITCHENS

F&B company with ~$60M annual revenue

Executive Assistant to Head of Finance | Jan 2026 - Present | Remote

- **Executive Partnership & Operations:** Partner directly with the Head of Finance to ensure seamless daily administrative workflows, cross-functional coordination, and executive calendar optimization.
- **Investor Relations & Fundraising Support:** Manage executive communications and directly handle critical inbound calls, stakeholder coordination, and the preparation of high-stakes corporate documents and data rooms during peak investor relations and fundraising periods.
- **Corporate Documentation & Workflow Management:** Organize, maintain, and streamline critical corporate documentation and digital assets to support high-stakes executive operations and cross-departmental alignment.
- **Financial Operations Support:** Collaborate closely with the finance and accounting teams to verify vendor invoices and track payment processing workflows.
- **AI-Enabled Productivity:** Leverage AI tools (Claude, ChatGPT) to track invoices, draft communications, summarize documents, and prepare reports, significantly reducing turnaround time on routine tasks.

BNH HOLDINGS

Executive Assistant to the Board | Jan 2025 - Dec 2025

- **Executive Partnership:** Partnered directly with the Chairman, Strategic Advisor, and CEO to drive daily operations and strategic execution across 3+ legal entities.
- **Board Governance:** Oversaw end-to-end Board governance, including organizing Board and Shareholder meetings, drafting Board Resolutions, and securing confidential corporate records.
- **Strategic Project Management:** Tracked and controlled project lifecycles for key construction and renovation initiatives, ensuring alignment with executive timelines and budget standards.
- **Stakeholder Management:** Served as the primary executive liaison between C-Suite leadership, government authorities, general contractors, suppliers, and strategic partners.
- **Research & AI Integration:** Conducted independent strategic research and integrated modern AI workflows (ChatGPT, Claude, Notion) to accelerate executive decision-making and report generation.
- **Schedule Management:** Managed executive schedules, travel arrangements, and cross-functional coordination.

BEONE NUTRITION GROUP

Executive Assistant to Founder | Oct 2021 - Dec 2024

- **Founder Operations:** Served as the primary operational bridge between the Founder and internal department heads, ensuring seamless execution of strategic priorities.
- **Event & Campaign Execution:** Orchestrated nationwide product launch events and high-profile medical seminars from initial planning through post-event evaluation.
- **Distributor Network Support:** Coordinated operational communication channels across a nationwide network of **4,000+ distributors**, agency partners, and suppliers.
- **Cross-Functional Operations:** Streamlined inter-departmental project tracking and reporting across regional branches to enhance task accountability and operational alignment.

SVI INVESTMENT GROUP

Credit Analyst | Sep 2020 - Sep 2021

- **Financial Assessment:** Conducted in-depth financial analysis, risk evaluations, and credit appraisals for corporate clients.
- **Credit Reporting:** Prepared comprehensive credit proposals, risk reports, and financial models to support credit approval decisions.
- **Compliance & Monitoring:** Collaborated with Relationship Management, Legal, and Risk departments to ensure strict regulatory compliance and post-disbursement portfolio tracking.

OCEANBANK

Financial Institution Specialist | Jun 2019 - Mar 2020

- **Institutional Relationship Management:** Managed daily operational workflows and relationship development with domestic and international financial institutions.
- **Interbank Operations:** Prepared correspondent banking contracts, reports, and transaction documentation in compliance with banking regulations.

EDUCATION & CERTIFICATIONS
